

Christ the King Parish Nursery Room

We are extremely blessed to have **Michelle Cochran** and **Cindy Yanski** as our nursery room attendants. Please consider volunteering for a rotating schedule of volunteers to assist them!

Location: The nursery is located in St. John's School in the preK room. Please enter by the side door that opens onto the parking lot. Signs clearly mark the way to the preK room.

Time: Drop off begins at 10:45 am, and pick-up is directly following the conclusion of Mass. A total of 5 children are permitted per 1 adult attendant, up to a total of 15 children. (i.e., if only Cindy and Michelle are present, a total of 10 children may be in the nursery. A total of 15 children are permitted if one or more volunteers are present as well). Availability is on a first-come, first-serve basis.

Items to Bring (all in a bag clearly labelled with child's name):

1. Nut-free snack and drink (please label cups and containers with name of child)

2. Diapers or trainers, if needed

3. Change of clothes

4. A cell phone (on vibrate) for parent so that we may contact you if need be (*we make every effort to engage children who have difficulty separating from their parents! However, if a child proves inconsolable after 30 minutes, we will notify you*).

NOTE: Bringing toys from home is discouraged. However, if a child has a security item (blanket, pacifier, favorite stuffed animal, etc.), they may bring it, if it is clearly labelled and with the understanding that other children may ask to share it.
